OUR MISSION STATEMENT

It is the mission of the PARBC Talents for Christ Ministry to give young people an opportunity to develop the talents over which the LORD Jesus Christ has made them stewards in the arena of competition. We endeavor to challenge the participants to serve, not themselves, but God and others through their local churches, thus making Talents for Christ a stepping stone in the process of presenting them complete in Christ and a valuable member of the local body of believers.

“Whom we preach, warning every man, and teaching every man in all wisdom; that we may present every man perfect in Christ Jesus.”

Colossians 1:28

CONTESTANTS

Eligibility

Open to those in grades 7-9 (Junior High Level) and grades 10-12 (Senior High Level).

Contestants must be in regular attendance at a fundamental Baptist church or youth group. Teens from good standing Bible Churches may now participate in TFC if the church has been invited to do so by a church in the PARBC.

Entry

All contestants must complete the online Individual Entry form by the date listed on the website.

For competition, original pieces need to have name on them for music, speech, etc.

Each student may compete in a total of no more than five categories with no more than two categories chosen from the areas of art, photography, and home economics, and no more than three categories chosen from all other areas of competition, whether individual, group, or a combination of individual and group.

Only one entry is allowed per category. For example, you may not sing two solos or enter two pieces of 2-D art. Bible Quizzing, Bible Knowledge and Extemporaneous Writing are totally separate from these considerations. Contestants may be on a Bible Quizzing Team, write an essay and take the Bible Knowledge test and still compete in a maximum of 5 additional categories.

| • Fair: 3 - 4 points | A fair performance, but lacking finesse—needs much more development. |
| • Meritorious: 5 - 6 points | A good performance, but not outstanding in any respect—needs more development. |
| • Excellent: 7 - 8 points | An excellent performance in most respects; defects in performance or effective interpretation only minor—slightly below superior. |
| • Superior: 9 - 10 points | Represents the best conceivable performance and worthy of being recognized as first place. |

MUSICAL CATEGORIES

General Rules

Prepare one sacred selection — a song which glorifies the Lord and resembles a traditional hymn and gospel song style, rather than the world's style of music as is seen and heard in Contemporary Christian Music (CCM).

Contestants must have an original score* for yourself and three copies for the judges, each marked "For Educational Purpose" and with **all** measures numbered. If your song is memorized, give the judges *one original score and two copies*. Downloaded originals must have proof of purchase. Please include your name and your church name on the copies you provide the judges to ensure your copies are returned to you.

If you desire alteration of rhythm to coincide with your interpretation, those changes must be edited into the musical score provided to the judges. If you plan to play the piece in a transposed key, the score you provide the judges must agree with what you will play even if it is handwritten.

**Musical score must be an original unless it is out of print and you have written permission from the publisher to photocopy. (Provide publisher's letter for the judges to see.) Copies must be legible.

Furnish your own accompanist if you desire accompaniment. Piano is the only acceptable instrument for accompaniment. A recording of the piano accompaniment may be used, but it is the responsibility of the contestant to provide the necessary equipment.

Memorization of your selection is required only if you are a senior high voice contestant.

Only senior high level instrumentalists will be required to sight-read a score supplied by the judges.
